CASE UPDATE

The active case count in the Yukon continues to stay under 25. There are **no** confirmed cases in Old Crow.

EXPOSURE NOTICES

New active exposure notices were issued by Yukon Government this week and shared below.

If you are living in Old Crow and think you may have been at any location with active exposure notices, please self-isolate **immediately and call the Nursing Station at **966-444**.**

- Sept. 12 – 8:30 pm Air North Vancouver-Whitehorse flight
- Sept. 6 – 8:00 am to 5:30 pm Whitehorse Canadian Tire
- Sept. 8 & 9 – Watson Lake Day Care
- Sept. 14 – 7:35 pm Air North Edmonton-Whitehorse flight

For the full list of current exposure notices visit

PROOF OF VACCINE CERTIFICATE

You can now apply for an enhanced proof of vaccine record from Yukon Government:

- Online – at [Yukon.ca/Vaccine-Proof](https://www.yukon.ca/Vaccine-Proof)
- By phone – **1-877-374-0425** (any day from 7:30 am to 8 pm)

This is a more secure document than the card you were given when you got your shots.

VGFN COMMUNITY EMERGENCY ACT IN EFFECT

The VGG COVID-19 Emergency Declaration is still in effect. Please continue:

- Wearing a mask inside any public buildings
- Gathering **only** with people in your two-household bubble
- Isolating for 2 weeks when entering Old Crow **if** you're not fully vaccinated
- **Immediately** self-isolating and calling the Nursing Station at **966-444** if you feel sick.
