Recent News

UPDATE FOR OLD CROW RESIDENTS

- **87%** of residents have been fully vaccinated
- **97%** of residents have had one dose of the vaccine

There are **no** confirmed cases in Old Crow.

COVID-19 COMMUNITY EMERGENCY ACT REMAINS IN EFFECT in OLD CROW

Please continue:

- Wearing a mask inside public buildings;
- Gathering only with people in your two-household bubble;
- Isolating for 2 weeks when entering Old Crow if you're not fully vaccinated,
- **Immediately** self-isolating and calling the Nursing Station at **966-4444** if you feel sick.

EXPOSURE NOTICES

Yukon Government issued active exposure notices this week including an outbreak in 1 unit at **Whistle Bend Place** long-term care home.

New active exposure notices have been issued:

- **Better Bodies Gym** – Oct. 22, 23, 25 & 26
- **Golden Horn Elementary School** – Grade 2/3 combined (Oct. 21)
- **Christ the King Elementary School** – Grade 3B (Oct. 21 & Oct 26)

- **Johnson Elementary School** – Grade 3 (Oct. 21)
- **Air Canada flight: Vancouver to Whitehorse (FN279)** – Oct. 19
- **Canada Games Centre** – Oct. 19
- **École Selkirk Elementary School** – Grade 2/3 split class (Oct. 18)

If you live in Old Crow and think you may have been at any location with active exposure notices, please **self-isolate immediately** and call the Nursing Station at **966-4444**.

For the full list of current exposure notices visit: Yukon.ca/COVID-19-Information

Government of Yukon HEALTH RECOMMENDATIONS

These recommendations are intended to minimize risk until new Government of Yukon vaccination requirements come into effect on **November 30**:

- Avoid non-essential services for **10 days** after you travel outside the Yukon if you are not fully vaccinated;
- Limit social gatherings to **20 people** indoors if everyone's fully vaccinated;
- Limit social gatherings to **6 people** if not everyone is fully vaccinated; and
- Have an operational plan if you:
 - are a business; provide a service; or will be holding an event.
