

Aurora Geosciences is looking for qualified individuals interested in working as

LINE CUTTERS & BRUSHERS

One person needed as soon as possible & two more next week to work in Alaska. More work is available. Minimum wage is \$165 per day.

Successful candidates:

- Will be of First Nations ancestry
- Experienced with power saws including falling, bucking and brushing. Formal PITS certification would be necessary for work as a lead cutter while experience with power saws alone will be acceptable for work as a brusher.
- In good physical condition
- Prepared to work in isolated locations, poor weather and in rough terrain for extended periods.
- Willing to undergo drug testing if employed at a mine site

The successful candidates, after training will be employed at mining exploration projects in Alaska, northern B.C. and Yukon. Aurora will provide transportation to and from Old Crow with accommodation, room and board provided during the course of employment.

Interested candidates should contact Phil Jackson at:
Aurora Geosciences Ltd. Tel: (867) 668-7672
108 Gold Road Fax: (867) 393-3577
Whitehorse, YT Y1A 2W3 phil@aurorageosciences.com
www.aurorageosciences.com

We thank all applicants for their interest but only qualified candidates will be contacted for interviews.
