**EMPLOYMENT
OPPORTUNITY
DIRECTOR, HEALTH AND
SOCIAL PROGRAMS**

The Candidate

The ideal candidate will hold a post-secondary diploma or degree in a field related to health and social services, or have work experience with relevant training. The ideal candidate will also have extensive management experience that includes financial and supervisory skills, knowledge of health and social issues affecting First Nation peoples both locally and nationally, and knowledge of federal and territorial funding programs for health and social services.

The Job

This position directs the Health & Social Programs team in delivering programs and services in the areas of social assistance, family and child welfare, addictions and personal counselling, personal and home care for Elders and clients with disabilities, community wellness and justice. The Director also represents VGFN in health and social related business with governments, partners and professionals, develops and implements strategic goals and work plans, and serves as a member of the Senior Management Team.

Wages are under review.

A detailed job description is available.
