An Experience in Canada's True North

Director of Health & Social Programs

The Job

Reporting to the Executive Director this position directs the Health and Social Department team in delivering programs and services in the areas of wellness, health, social assistance, family & child welfare, addictions and personal counseling, personal and home care for Elders and clients with disabilities, health promotion and justice programs. The Director also represents the VGFN in health and social related business with governments, partners, and professionals, develops and implements strategic goals and work plans, and serves as a member of the Senior Management Team.

The Candidate

The ideal candidate will hold a degree or diploma in a field related to health and social services or the equivalent in experience and relevant training; Broad knowledge of government legislation regarding health and social services; Knowledge of health and social issues affecting First Nation peoples both locally and nationally. The ideal candidate will also have extensive management experience that includes financial and supervisory skills with at least two years at a senior level either in private or public sector and previous experience in a First Nation community is an asset.

About Old Crow

Old Crow is a small remote village located in North Yukon with a population of approx. 300 people and accessible by air only. It is the home of the Vuntut Gwitchin. Services and facilities include a community centre, youth centre, ski lodge and regular flights scheduled six days a week. We have a health centre with a visiting doctor, a modern school, a college campus and a grocery store with postal and banking services.

A detailed job description is available @ <http://www.vgfn.ca/employment.php>

Pay Range

\$79,806 - \$103,748 plus an excellent benefits package.

Closing date

August 8th, 2014
