

EMPLOYMENT OPPORTUNITY

Lands Manager

The Job:

Reporting to the Director of Natural Resources and working alongside the heritage manager and Fish and Wildlife coordinator the land manager will administer land management programs and services for Vuntut Gwitchin settlement lands which include ensuring proper protocols are in place for all land-use plans/development and related consultations and approvals are properly undertaken, monitor crown land uses within the traditional territory and administer database systems. Managing the implementation of a land registry and land and resource legislation will be key priorities. This position works closely with the public and fosters strategic relationships with co-management groups, other First Nation, Territorial and National governments.

The Candidate:

The ideal candidate will hold a degree or diploma in one or more of the following: natural or renewable resource management, land management, environmental studies, or the equivalent in training and experience. The ideal candidate will have knowledge of the principles and practices of land resource planning and management, and land management issues and legislation affecting First Nation peoples. The ability to manage projects, staff, develop policies and procedures, and create and manage information and database systems is essential. The incumbent will also need to be comfortable working in an outdoor setting. Strong oral and written communication skills are required. Demonstrated proficiency in using software such as ArcView and Ozie Explorer is an asset.

Pay Range

\$65,974 - \$79,169 per annum plus an excellent benefit package

This is a full-time term position based on 32.5 hours per week. (6.5-hour workday 9:00 a.m. to 12:00 p.m. & 1:00 to 4:30 p.m.)
